STAR PARTY AND BBQ ★ STAR PARTY AND BBQ

A dark night, the stars overhead, a burger and a beer — who could ask for more?

If you've ever looked up at the starry night sky and been enthralled by what you've seen, we'll be more than happy to show you more and help you understand its beauty. This is guided star gazing at its best! As well as star gazing there will be astronomical presentations and hands-on demonstrations all evening (in the unlikely event of cloud cover or rain!)
