

“The Bollington Festival enriches the lives of people who live in Bollington, regardless of age, background, interests or abilities”

The support of our Friends is vital in keeping this wonderful legacy going. Without it, future Festivals are uncertain and their programmes restricted in vision.

Since its inception in 1964, the Bollington Festival has enriched the lives of so many people who live in and around Bollington and 50 years later, it will be doing so again with your help. Each festival has been a catalyst for new events and partnerships bringing new creative activities to the community. It has developed over the years with a positive impact on village life and engendered a true community spirit.

Over the last 40+ years, Bollington has given birth to a Community Theatre company, Choral Society, Light Opera Group, Children’s Music Theatre, Chamber Concert series, prize-winning Brass Band, Sci(ence) Bar evenings and regular Jazz and Comedy night sessions within a thriving Arts Centre.

So please support Bollington Festival 2014.

We need to ensure that funding is in place before 2014 in order to implement all the wonderful ideas the vibrant community of Bollington have suggested for its next Festival. Become a Festival Friend and not only support the Festival in 2014 but see how you can benefit too. See Festival Friends membership form overleaf.

Bollington Festival is a not for profit company limited by guarantee. Registered in England number: 04819935. Registered address: 1, Part Street, Macclesfield, Cheshire., SK11 6SR
